Sub: Job and Education opportunities in Maritime Sector in India - Reg.

Dear Sir,

You are aware of the efforts taken by the Government of India to become a USD 5 trillion economy within the next few years. The Maritime Sector is an important sector with high growth potential. The key initiatives of the Ministry of Ports, Shipping, and Waterways, viz., Sagarmala and MIV 2030, are to lead port-led development and generate jobs for Indian youth in the near future. MIV 2030 specifically aims to achieve more than 20% share of Indian seafarers in the global market.

Hon'ble Prime Minister Shri Narendra Modi and the President of the USA, H.E. Mr. Joe Biden, co-chaired a special event on the Partnership for Global Infrastructure and Investment (PGII) and India-Middle East-Europe Economic Corridor (IMEC) on the sidelines of the G20 Summit in New Delhi. The event aimed at unlocking greater investment for infrastructure development and strengthening connectivity in its various dimensions between India, the Middle East, and Europe. The IMEC is envisaged to be of multimodal nature with widened job opportunities for graduates of the Indian Maritime University (IMU).
